### Research at the Department of Music

- current problems of music education and integration of the latest trends into the teaching process at primary, secondary and higher education institutions of various types;
- creating a suitable repertoire for beginning singers and pianists;
- research and promotion of instructional musical works of Slovak composers and their use in pedagogical practice;
- promotion of choral singing at secondary schools.
- basic research of medieval music-liturgical works from Slovakia; completing the database of medieval music from Slovakia - Slovak Early Music Database „Cantus planus in Slovacia“;
- making available to professional researchers selected monuments of Slovak sacred music - medieval manuscripts, musical artefacts of the 17th - 19th centuries;
- contemporary sacred music - incentives for the creation and dissemination of new musical works in this area.
